

"Final Words?" – Cody Dekker Date: 10-15-08 Chord Progression: Verse: Em9 - C9 - G - Dsus - D
Chorus: Em - D - G - C Bridge: Em9 - C9 - G - Dsus - D Lyrics: (Verse) Haven't seen you in a while, I
guess the love finally ran dry I guess we finally got it right And it's too late to take it back and the things
you said I can't forget, I guess forgiveness only works when it don't hurt no more But my heart is still
undone and the pieces that you left behind Don't fit together when I tell them to (And) only memories
remain and I keep them locked away And I use them when I need a smile (Chorus) I'm not drinking,
listening to our songs (Can't I) I don't see your face in my dreams at night Sometimes the cuts too deep
and the wounds don't heal right I don't miss you anymore, I don't miss you anymore (Bridge) I'll never
feel this way again 'cause I won't let nobody in To see the deepest parts I left unguarded, open-hearted
And when I finally walked away it was because of all the days You took advantage of my weaknesses
and drove them in
